

We Are Here To Serve So All Branches May Know We Care

Town Hall Meeting

"THE FACES OF AGENT ORANGE" our **Children And Grandchildren**

Purpose

1. Reaching out to All Affected Veterans and Their Families
2. Inform Health Practitioners & Disability-Related Agencies
3. Provide Care for Affected Children and Grandchildren

The Vietnam Veteran has 22 Presumptive Diseases connected to our Agent Orange exposures.

We are tracking 18 birth defects with connections toward Agent Orange exposure into the 3rd generation.

Our Intent

To inform our Veterans & Veterans Families how Agent Orange exposure may have led to the special needs of our Children & Grandchildren.
