CONSERVATION BEGINS HERE

APPLY NOW for Summer Crew Positions

Washington State Regional Crews Base to Basecamp Initiative

Various Start dates from early July to mid August

Base to Basecamp, is an initiative designed to provide teenagers from active duty military families with an intensive outdoor experience at one of Washington's National Parks. An all-expenses-paid, 15, 30, or 35 day outdoor experience for 15-19-year-old volunteers. You will live and work in a national park in Washington State doing trail maintenance and restoration projects, earning more than 70 hours of service learning credit. No experience necessary. **No experience necessary.**
