

The Student Conservation Association

# CONSERVATION BEGINS HERE

APPLY NOW for Summer Crew Positions

## Seattle Community Crews

July 7 – August 15

A six-week **paid** outdoor experience for 15–19 year olds. You will work five days/week in Seattle parks on trail maintenance and restoration projects. **No experience necessary.**

For more information and to apply for Seattle Community Crews, visit  
<http://jointhesca.org/group/seattle-summer-community-crews>

## Washington National Parks Crews

An all-expenses-paid, 15, 30, or 35 day outdoor experience for 15-19-year-old volunteers. You will live and work in a national park in Washington State doing trail maintenance and restoration projects, earning more than 70 hours of service learning credit. **No experience necessary.**

For more information and to apply, visit
