## **DON'T BE A VICTIM: BE AWARE OF PENSION POACHING SCAMS**

The U.S. Department of Veterans Affairs (VA) pension exists to help financially disadvantaged wartime Veterans and their survivors.

Individuals and organizations are available to help you file a VA pension claim free of charge. A searchable list of VA-accredited representatives including Veterans Service Organizations, agents, and attorneys is available at the VA Office of General Counsel website:

www.va.gov/ogc/apps/accreditation/index.asp.

## **BE AWARE**

Be cautious if someone offers to move your assets around for you to qualify for VA pension. This type of scam is often directed toward Veterans and family members who do **not** actually qualify for VA pension. You could be required to repay these benefits to the government.

## Examples of possible pension poaching scams:

- Organizations that cold call Veterans, charge money for assisting with a VA pension claim, and take credit card information from Veterans over the telephone
- People who charge as much as \$6,000 upfront to represent claimants before VA, with a percentage of any eventual back payment from VA as a portion of the ultimate fee
