16,888 National Guard
and Reserve
581,047 Family members

The WDVA network of Veterans Service Offices filed 17,541 claims for VA compensation and/or pension benefits in FY25.

Impact on Veterans

Veterans who receive VA service-connected disability compensation or nonservice-connected pension benefits receive an average of \$1900 per month from the VA and are often entitled to additional benefits such as VA medical care, education and employment benefits, and benefits for family members and survivors.

Impact on State

VA disability compensation and pension benefits result in over \$3.7 billion per year flowing directly into the Washington economy and an additional \$2.3 billion per year in VA healthcare expenditures. Veterans receiving VA healthcare are also not as dependent upon state healthcare resources.

Veterans Services Programs

Call Center

WDVA's call center is a toll-free, statewide service that evaluates the needs of Veterans and their families and then refers them to experts within our Veterans Services Network.

Veterans Benefits and Claims Assistance

WDVA partners with nonprofit Veteran service organizations as well as WA counties and Indian tribes to assist Veterans and their family members with Veterans benefits and disability claims assistance through its networks of VA-accredited Veterans Services Officers.

Transitional Housing for Homeless Veterans

Our 135-bed housing program, split between Pierce and Kitsap counties, is designed to provide a safe and stable environment for both men and women Veterans without homes who are committed to returning to employment, permanent housing, and/or independent living.

LGBTQ+ Outreach Coordinator

This position ensures that all Veterans receive the benefits and entitlements they deserve, regardless of gender identity or sexual orientation.

Veteran Owned Business Certification

We support the establishment and growth of businesses owned by Veterans and service members with certification services and business development initiatives.

Apprenticeship Program

This program informs and connects Veterans with work-based learning opportunities, and assists Veterans with referrals and enrollment.

Military Spouse Initiative

We coordinate with state, federal, military, and private organizations to collaborate on career and career-related support for military spouses.

Transitioning Warrior Program

The TWP assists service members' integration into civilian life after the military. Services include preparation of Pre-Separation VA disability claims, information on state and federal benefits, gap funding, warm handoffs to other state VA agencies, counseling services, and other services designed to assist service members before they exit the military.

Veterans Innovations Program

This program provides assistance to Veterans who served on or after Sept. 11, 2001, and have an Honorable or General Discharge, and are facing financial hardships due to their support of the Global War on Terrorism.

Washington State Justice-Involved Veterans

Designed to assist justice-involved Veterans with access to VA benefits. Veterans who are currently in custody or recently released from a state or federal corrections facility will be connected to resources through community partners. WDVA works in partnership with other reentry services to facilitate transition to a healthy and productive life within the community.

Transition and Readiness Council

We work with and coordinate state, federal, and military services to support transitioning Veterans entering civilian employment, higher education, and other endeavors.

Veterans Estate Management Program

WDVA can act as the representative payee for Veterans and their immediate family members who are in receipt of VA or Social Security Administration benefits and need assistance managing their financial affairs.

Counseling and Wellness Programs

988 LIFELINE | THERE IS HOPE!

Suicide Prevention Program

WDVA provides connections to community resources, facilitates suicide prevention programming, and collaborates with federal, state, and local experts to provide innovative programs across the state. A dedicated Suicide Prevention Program Manager and Suicide Prevention Peer Specialist Team collaborate with federal, state, and nonprofit entities to support service members, Veterans, and families in this ongoing battle.

VA Staff Sergeant Fox Suicide Prevention Grant

Enables the WDVA to provide resources toward community-based suicide prevention efforts to meet the needs of eligible Veterans and their families through outreach, peer support, suicide prevention services, and connection to VA and community resources throughout Washington.

Veterans Conservation Corps (VCC)

The VCC provides Veterans with self-directed connections to the lands, waters, and communities in Washington State by offering opportunities to do meaningful work in conserving and restoring natural ecosystems with our environmental conservation and agricultural community partners. We support Veterans in establishing and maintaining healthy reciprocal relationships with nature and their community so that through their own efforts they may increase their self-efficacy and resiliency and realize a positive shift in their mental, emotional, and physical well-being.

Veterans Training Support Center

This statewide program provides awareness and understanding of issues specific to Veterans, such as Post Traumatic Stress Disorder, the expanded definition of a Veteran, and Traumatic Brain Injuries. It also aids agency and institution staff in establishing best practices to empower Veterans to reintegrate into civilian life and pursue their goals. VTSC provides training through various programs to best meet the needs of adult learners.

Brain Injury & Recovery Program

WDVA's Brain Injury and Recovery Program provides no-cost services to Veterans and family members affected by both traumatic and acquired brain injuries. Services include individual support, education, and consultations; screening tools and training; employer support services; and treatment evaluation, consultation, and community outreach.

The Counseling Program provides community-based, no-cost, professional, confidential counseling services to Veterans, reservists, guard, and family members. These services are not contingent on discharge status and are located through Washington.

Note: King County residents are seen no matter the era of service or discharge.

Licensed mental health professional contractors offer a wide range of specialized treatment services, i.e. Post Traumatic Stress Disorder, Military Sexual Trauma, Traumatic Brain Injury, and other issues related to military service.

State Veterans Cemetery

Impact on Veterans

The creation of the Washington State Veterans Cemetery in Medical Lake fills a significant service gap for Veterans and families in eastern Washington and northern Idaho.

Thousands of Veterans and their family members have been interred in this national shrine since it opened in 2010.

Impact on State

Proceeds from the sales of Armed Forces License Plates support ongoing maintenance of the State Veterans Cemetery. These license plates generate more than \$500,000 each year to directly support cemetery operations.

Eligibility

Interment eligibility mirrors National Veterans Cemetery eligibility requirements. In general:

- U.S. Veterans, discharged under conditions other than dishonorable
- Spouses
- Dependent Children (in limited cases)

The Washington State Veterans Cemetery serves Veterans and their families, fulfilling a nation's promise to care for its Veterans. Washington State residency is not a pre-requisite for burial. Refer to the following link for specific eligibility criteria.

http://www.cem.va.gov/cem/burial_benefits/eligible.asp

Burial Options and Services

The State Veterans Cemetery provides for traditional in-ground casketed burials. Traditional burials include ground plot, cement liner, and an upright inscribed granite marker.

The following options are available for cremation inurnment:

- Columbarium niche includes inscribed granite niche cover
- In-ground cremation inurnment includes ground plot and upright inscribed granite marker
- Scattering Garden with inscribed granite marker

Traditional graveside services are not permitted. All services are held in the Committal Shelter offering a safe and respectful place for remembrance. Services may include Military Funeral Honors for Veterans and Military Retirees in accordance with Public Law 106.65. Families have the option of using a variety of volunteer-supported functions to personalize their loved ones's committal service.

An information kiosk located in the Administration Building foyer contains an electronic grave locator allowing family and friends to easily locate the gravesite of their loved one.

Pre-need and Costs

Handling end-of-life affairs can be stressful on families. Pre-need applications allow you to determine interment eligibility to accommodate your families' pre-needs plan, and makes sure your wishes are known. For these reasons, pre-need planning is encouraged.

Military discharge documentation, such as a DD-214 (Veteran) and a marriage certificate (married couples), are required to pre-register. Upon verification, you will receive a determination letter which should be kept with other important records.

Interment costs for eligible Veterans are paid by the Department of Veterans Affairs. More information about costs can be found online: dva.wa.gov/veterans-service-members-and-their-families/cemetery/eligibility-pre-need-burial-determination.

Volunteers and Donations

There are numerous opportunities for individuals to donate their time or resources at the Washington State Veterans Cemetery, including:

- Honor Guard Rifle Teams
- Buglers
- Ministers
- Cortege Leaders
- Grave site and avenue flags
- Holiday memorial greenery
- Monetary Donations - special holidays, special projects, public events

Veterans Holiday Remembrance

The facility hosts an annual event in mid-December to honor and remember Veterans for the holidays. Public donations determine the cemetery's ability to cover each marker with holiday greenery. Donations should be made payable to "WDVA Cemetery."

State Veterans Homes

Washington Soldiers Home

The Washington Soldiers Home was established in 1891 and is located on 174 acres in Orting's beautiful Puyallup Valley. It was the first of four homes established to serve Washington State Veterans. Each summer, residents and family members enjoy the annual family picnic and a fishing derby at the pond.

Occupancy: 97

call 360-893-4515**

Washington Veterans Home

The Washington Veterans Home was established in 1910 in Port Orchard on a 31-acre bluff overlooking Puget Sound. In 2005, a new nursing care building was opened, providing a "Resident Centered Care" concept that focuses resources around the individual resident. All primary services for residents are available within a forty-bed "neighborhood."

Occupancy: 240, including a 40-bed secured memory care neighborhood.

Spokane Veterans Home

Opened in 2002, the Spokane Veterans Home is located in the heart of Spokane's medical centers. The Home is a place where Veterans are treated with the dignity and respect they deserve, in distinctive settings that provide a sense of belonging.

Occupancy: 100

**For a tour or more information,
call 509-344-5770**

Walla Walla Veterans Home

The Walla Walla Veterans Home opened in 2016 and is co-located on the campus of the Jonathan M. Wainwright Memorial VA Medical Center. This nursing care facility was designed using a "small house" model and provides care in eight individual homes. All residents enjoy a private room with a private bathroom. Each house has an open kitchen, dining area, and living space much like a traditional home. Additionally, the Homes are equipped with shared services such as laundry and a state of the art bathing suite.

A memory care house provides a home-like environment to address the needs of Veterans who require nursing home-level care in a secure setting.

Occupancy: 80

For a tour or more information, call 509-394-6800
